

Appl. No. «10/734,860»
Amdt dated January 27, 2008

REMARKS/ARGUMENTS

In the Office Action dated December 26, 2007, the Examiner imposed a restriction requirement, identifying three groups.

In response to this restriction requirement, Applicants respectfully elect for further prosecution, the claims of Group I. Applicants reserve the right to prosecute the remaining groups, namely Group II and Group III in future.

In view of the election of Group I, Claims 2 and 3 are herewith rewritten in dependent form. Hence, if Claim 1 is found to be allowable, then these two claims should also be examined for patentability. Accordingly, Applicants now respectfully request examination of all pending claims.

The Examiner is hereby respectfully requested to take note of information cited in an IDS filed on October 3, 2007, when determining patentability of all pending claims.

If there are any questions, please call the undersigned at 408/378-7777, ext. 113.
